FTTP Technical Working Group Meeting 17th June 2009

Issue date: **05/06/2009**

Status: **For Information**

Ref: **NGA021/09**

This briefing is applicable to all interested parties and relates to the FTTP Technical working groups.

This briefing provides details of the FTTP Technical working group meeting and how to request an invitation

Openreach would like to invite all interested parties in attending the FTTP Technical working group meeting to be held at BT Tower, 60 Cleveland Street, London, W1T 4JZ between 14:00 and 17:00 on Wednesday 17th June 2009. Registration will be from 13:30. The event will start promptly at 14:00.

Previous invitees that are already members of the FTTC Trialist working group will automatically receive an invitation via e-mail in the near future. This meeting will be held from 10:00 – 13:00 on the 17th June.

Please note that the number of places available at the BT Tower is very limited. It may be necessary to only accept one representative per company to this FTTP Technical meeting.

Agenda:

- Intro/Purpose/Terms of Reference
- P&B, L2C & T2R process review
- High Level plan for Pilot & launch
- Initial exchange(s)
- Transition Product

For this reason places are not allocated automatically and invitees will need to confirm whether they wish to attend or not to John Higgins on the e-mail address shown at the bottom of this briefing by Thursday 11th June 2009.

An e-mail response will be sent to you after 12th June 2009 confirming receipt of your request for a place and advising whether you have been allocated a place or placed onto the waiting list.

We look forward to seeing you on the day.
