## Notes

1. Product is only available where fibres have been installed by Openreach and part funded as part of Broadband Development UK (BDUK) Phase 3 contracts.

Locations are available on request.

2. Rental is payable in advance either quarterly or annually.

3. Additional charges may be raised where non standard work is required, and for Repair activities. For work done by Openreach engineers not included in standard prices see 'Time Related Charges for Ethernet and non-Openreach Network' in the Service Products section of the price list for details.

<http://www.openreach.co.uk/orpg/home/products/pricing/loadPricing.do>

4. The BDUK Segments minimum term is 5 years from date of installation. If the circuit is cancelled during this time the remaining rental charges for the first 12 months will be raised in full, with 20% of the remaining rental charges thereafter

5. Prices are not fixed for the duration of the minimum term period, but changes will be subject to notification.

6. Charges for any construction required to be undertaken by Openreach to allow the CP to connect to the Openreach network will be charges using the Excess Construction Charges in the Service Products section of the Openreach Price list.

7. The Cabinet Space minimum term is five years. If cabinet space rental is cancelled during this time the remaining rental charges will be raised in full.

8. A connection charge must be paid for each end of the segment.
